

dizzconcept

New approach to designing small spaces
for living, resting and working

new possibilities in
designing small spaces

multifunctional concept
which combines two
living areas in
residential, work and
vacation spaces

smart solution in
spaces of limited
spatial capacity

saving space and
increasing functionality
(conversion of existing
spaces)

et voilà!!

hotels

A modern, minimalist apartment interior with a dark color palette. The kitchen features light grey cabinetry, a black countertop, and a built-in microwave. Open shelving displays various kitchenware, including cups, bowls, and bottles. A white dining table and chairs are visible in the background. The living area has a light-colored sofa and a low coffee table. The floor is made of dark wood, and the walls are a dark, textured material. The overall design is clean and functional.
